

Last River Stands Launched!!

After months of deliberation, we finally decided to launch the last 8 river stands at Boschhoek!!

With Boschhoek deemed to be the last full title bush retreat of its kind due to a change in legislation, and these 8 bush properties the last of their kind at Boschhoek, this really is a special opportunity.

Boschhoek is not only about us – it is about our children and our children’s children.

Priced at R849 000 and R899 000 in keeping with their unique situation, these full title 1 Hectare properties are an amazing offering. River frontage with stunning views across the valley set the scene. A central location allows for easy access to Boschhoek's almost 1500 hectares, whichever way the wind may blow you. 4 kilometres of mountain stream to the north and south is yours to walk, its string of rock pools and dams begging to be explored. For the brave at heart, wild expanses of mountain wilderness lie to the east. To the west, Boschhoek's bush roads through our mountain amphitheatre provide gentler opportunities for those afoot or a cycle. Right next door our lush wetland lures game through all seasons.

For a Google Earth perspective, visit the Google Earth link on our [Maps page](#). For an image view, see the Price Map link on our [Maps page](#).

With 10 years to start building and levies at only R710 per month, there is no rush once you have gained your foothold in the bush. With nature as your living room, you are free to start building as small as you wish and expand over time.

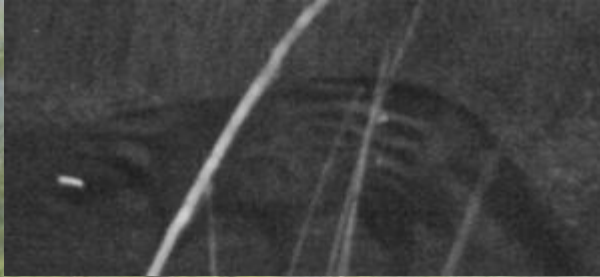

Of course, Boschhoek also offers a selection of stunning other 1-2 Hectare full title bush properties from R599 000. For details, see our [latest newsletters](#).

Words and pictures can only tell so much. Come and visit us. Let your eyes seek and your soul sense. Come and listen if you can hear Boschhoek speak.

Let our estate manager and field guide Jandre Higgo share some of Boschhoek's secrets with you. Complete it with a light lunch at Leeuwenhof Country Lodge and Garden Spa next door, or enjoy a streamside picnic on Boschhoek.

Jandre takes out only one family at a time, typically Saturdays and Sundays at 09h30, 12h00 and 14h30. Kindly call me beforehand to arrange.

We sign out with a rare night picture of an African Civet taken on Friday on Boschhoek.

Congratulations, Phil!
